McHARGH, MAG. J.

This action was dismissed by the court on June 2, 2006, based on the parties' representation that the case had been settled. The court retained jurisdiction to vacate the dismissal, upon cause shown that the settlement had not been completed. (Doc. 23.)

The plaintiff, Jane St. Clair ("St. Clair"), has filed a "Motion to enforce oral in court settlement and/or written settlement," on June 27, 2007. St. Clair claims that the defendants have failed to fulfill the settlement agreement. (Doc. 24.)
